Al and Bob:

I have had an opportunity to speak with my clients, and they wish to reject the counter-offer referenced in Al's letter dated today. Plaintiffs, however, are willing to make a global demand for settlement, which would include release of all claims against the remaining County Defendants (including Cory Hutcheson), for a total of \$3,500,000. This represents the \$2,000,000 limits from the MOPERM policy and the \$1,500,000 remaining limits from the Savers policy (which names Mississippi County as an additional insured). Obviously, this global demand specifically excludes any claims made against the City Defendants for which they have already agreed to pay \$500,000 from the Savers policy to resolve.

This demand is unlimited in time but will not remain open in perpetuity. I look forward to your prompt response.
